

North-South Track – Shared Use Trail

- Please supervise children at all times.

- The track features technical obstacles such as log rides and jumps for mountain bike riders – please exercise caution.

- This is a bushland area, branches may fall, particularly in windy conditions.

Bike Riders Code of Conduct

Respect other trail users

- Alert other trail users of your presence.
- Slow to their speed when passing.
- Slow down for corners and blind spots.

Stay on designated bike riding trails

- Ride only on approved trails.
- Do not create new trails or short cuts.

Minimise your impact on the environment

- Avoid muddy trails. Do not skid.
- Take out your litter.
- Keep your bike clean to prevent the spread of weeds and plant diseases.

Be a safe rider

- Plan ahead. Ride with others. Carry a mobile phone.
- Wear a helmet.
- Know your ability and keep your bike under control.
- Be prepared for sudden changes in weather conditions.

Riding the track

All care has been taken with the design of this track, but you are responsible for your own safety.

The main track is graded Moderate and has been designed as a challenging course suitable for experienced mountain bike riders.

Optional technical features, e.g. elevated log rides and jumps, are provided along the track to challenge skilled and more experienced riders.

These are graded Extremely Difficult and signposted as:

Before riding an optional technical feature, inspect it closely to ensure you are experienced enough to attempt it.

It is not recommended to ride the features during wet conditions.

Beware of side drop-offs along the length of the track.
